Viewing student assignments through Home Access Center

It is now possible to view your student's individual classroom assignments through Home Access Center. Currently, this is a voluntary option for teachers in Hilliard City Schools, which means not all of your student's teachers will publish individual assignments.

You can expect to see scores updated one to two weeks after the assignment is due depending on the size of the assignment.

If you are not signed up for HOME ACCESS CENTER, you must do the following:

1. Go to: homeaccess.hboe.org
